

PTO's Spring Update

We are Full Swing into Spring!

January Family Movie Night

January started off with a bang. We were so excited to see such a huge turn out for our 1st movie night of the year. All the students and parents seemed to enjoy our double feature night of Ice Age and Diary of a Wimpy Kid. Each featured movie was raffled off to two lucky winners! We enjoyed meeting the Canyon Creek families. What a fantastic way to share a great movie.

Canyon Creek PTO's "Stuck on Reading"

Stuck on Reading was a new event for us this year. The under-riding principle was that the PTO challenged students to read 100,000 minutes in just two weeks. The students were also rewarded for individual and class accomplishments. The students sailed past their goal and by reaching over 116,000 officially "stuck" Mr. Lipp to the gym wall. Yes, he spiked his hair Cougar blue

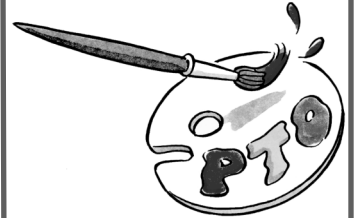

Staff Appreciation Planning Committee

We are currently planning and taking suggestions for Staff Appreciation. If you are interested in participating, please email Krista directly @ ricemeier@aol.com

as well! He was such a good sport and they had a wonderful time doing it. Congrats to Laura F. and Ayden G. for being the individual Nook winners and to Mrs. Stensvad's Kindergarten class for the most fundraising per student.

Missoula Children's Theater

This years performance of Black Beard the Pirate struck a mighty cord with all students involved. We had over 50 students in the production itself and the entire student body had an opportunity to participate in theatrical workshops.
