

# PTO's October Update

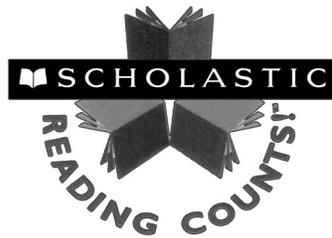

## Fall is in Full Swing and so is PTO!

### Thank You for your Generosity

The fall fundraising drive went off without a hitch. The basket raffle held at the Open House and the No Fundraiser-Fundraiser collectively brought in \$1330.

### Technology Donation

For the second year in a row we are supporting technology in our school! We have voted to make a \$1750 donation to the school in support of additional Promethean white boards in the classroom. This donation currently qualifies for matching funds from Promethean. So we can get double the benefit for the students!

### Scholastic Book Fair

Scholastic Book Fair has moved to the Fall and will be held in conjunction with Parent Teacher Conferences. **See schedule at right.** This event allows families to purchase books from Scholastic for a reasonable price while helping the school library. Based on the total sales, PTO is given a percentage in credit to purchase books for the school. Last year that credit was over \$2,000.

### **Help us help the Library.**

If you are interested or able to assist in working the book fair. Please contact Kim Harper at harper613@yahoo.com or Krista Meier at ricemeier@aol.com

### PTO Web Page Update

We are excited to report our goal of having an online page is moving closer to our target. We have a little more work to do, but keep looking for our tab on the CCS main site [www.canyoncreekschool.org](http://www.canyoncreekschool.org)

From this tab you can access meeting agendas, meeting minutes, the bylaws, and current event flyers.

### Family Fun Night

Welcome back Family Fun Night! These events are a wonderful chance for CCS students and families to get together to visit, play, and have some fun.

We had a successful first event of the year over the

pretty blue waters of the Reef. Friday night October 26th about 40-45 students joined us. The students had a blast!

**Stay tuned** for more *Family Fun Nights*. Our next will be a January "Movie Night" - Cougar Style.
