- We have \$5650 in the checking account.

Old Business

- MCT was a complete success!
 - Total Expenses = \$2352.75, Ticket Sales = \$1743.00, Difference of \$609.75
 - 32 students participated in the production
 - 214 students participated in the workshops
 - 32 DVDs were sold @ \$10/each. Total raised for Lego Robotics was \$320. We decided to donate at additional \$500 to the Lego Robotics program.
 - We are requesting the week of January 11, 2016 for next year's event.
 - Next year we will have preregistrations. Students will sign up the week before the production at the front office, this way we will know exactly how many kids will be involved. We can limit the number to 45 kids.

New Business

- The Scholastic Book Fair will be held February 17-19. Kim Harper has once again agreed to chair this event. We still need a couple of volunteers to fill the middle of the day timeslots.
- The Reading Challenge will be held February 23-March 5, 2015. The Mason's have agreed to donate 2 bikes and 2 kindles again this year. The PTO will again purchase 2 bikes and Barnes and Noble Gift Cards so that each kid that participates in the challenge will receive a prize.
- Art Night will be held Friday, March 13th. We are looking for some who can build a wood panel for the group art project. We are also looking for volunteers to man a few of the craft station, assemble Thank you bags for the guest artists and get refreshments for the volunteers. We also ask that if you have magazines to donate please do so. If you would like to volunteer please let Becca know.

Next Meeting

The next regularly scheduled meeting will be held **March 10th at 6:30pm in the school library.**
