 - **Reef-** 839-9300, Don Meters,

Overall Summary

- Successful start to the 2012-13 School Year. Auction items raised \$525.00, expenses were . May want to consider more signage at the entrances to entice parents and students, listing auction items in pre-event mailer, and having the teacher's announce and discuss baskets in the classroom orientations. In addition the Spa Basket wasn't a popular item, in terms of numbers of bids and price of bid given. May want to eliminate this type of basket next year.
