

Canyon Creek School District

COVID-19 Emergency Measures

1903

School District Meetings, Gatherings, Events, and Visitors

The School District has adopted the protocols outlined in this policy to govern during the term of the declared public health emergency to ensure individuals present at a school facility for events or other operationally related reasons honor safety protocols. The supervising teacher, principal, superintendent or designated personnel are authorized to implement this policy in coordination with state and local health officials.

School District Events

The Board of Trustees may authorize School District physical meetings, gatherings, and events when the event is deemed essential to district operations. Physical meetings, gatherings, and events **will be** held without prior authorization of the Board of Trustees.

All attendees at physical meetings, gatherings, and events held on school property in an outdoor area including the stadium, field, or other open area designated by the Board of Trustees will not be required to honor the applicable health and safety protocols outlined in District Policy 1905 unless the health and safety of students deems necessary to reinstate the distancing, masking and any other requirement to keep the community safe. If deemed necessary by the local health department the School District shall provide suitable space for physical distancing to occur and, if practicable, markings and walking routes in the area where the event shall be held to preserve a safe event setting.

Physical meetings, gatherings, and events **will not** be limited when held inside a school building. All attendees at a meeting, gathering, or event authorized by the Board of Trustees held inside the school facility are required to honor the health and safety protocols outlined in District Policy 1905.

Canyon Creek encourages individuals with underlying health conditions to take precautionary measures during large gatherings and events.

Visitors to Schools

Visitors to the interior of any school building shall not be permitted without the express approval of the superintendent or designated. Visitors that are authorized to be present in any school building must adhere to all health and safety guidelines outlined in District Policy 1905.

Facilities Use Agreements

The Board of Trustees suspends community use of District facilities. Unless an event is specifically identified as unnecessary by the Board of Trustees, Facilities Use Agreements and other similar requests submitted in accordance with District Policy 4330 will be considered while this policy governs the period of a public health emergency.

Enforcement

Visitors to any school building or any attendee at a meeting, gathering, or event authorized by the Board of Trustees in accordance with this policy who fail to honor the requirements of District Policy or the directives of School District officials shall be asked to correct their conduct or leave the meeting, gathering, or event in accordance District Policy 4315.
